

List of Settings — Introduction

This document lists the settings included in *Celebrating Sunday Evening Prayer* together with the further settings that are mentioned.

The list will be updated to include more settings as they become available..

Introduction

Hymns

Advent

Come thou long expected Jesus
Creator of the stars of night
Litany of the Word
Lo, he comes
My soul in stillness waits §
O come, divine Messiah!
O come, O come Emmanuel §
O comfort my people
O Wisdom, source of harmony §
The Coming of our God
The Voice of God

§ These hymns based on the 'O'
Antiphons are usually sung after 17
December.

Christmas

Jesus the Word
Of the Father's love begotten
O little town of Bethlehem
The Light of Christ

Lent

Dear Lord and Father
Lord Jesus, as we turn from sin
Praise to the holiest in the height
Praise to you, O Christ our Saviour

Easter

Sing of one who walks beside us
The light of Christ
This joyful Eastertide
We walk by faith

Ordinary Time

Abide with me
As the setting sun
Christ, be our light
Christ is the world's light
God of day and God of darkness
In the quiet of the evening
Light of Gladness
Lord of all hopefulness
Now it is evening
Now the evening
O gladsome light
O Gracious Light
The day thou gavest

Light

<i>Send out your light</i>	<i>Bell</i>		◇
